Evaluations

There will be a \$60 fee for evaluations. This fee is to cover ice costs for tryouts. If you choose to register with the Huron Heat, your tryout fee will be applied to the registration cost. If you choose not to register this fee will be considered non-refundable. Evaluations will be April 14, 17, 18, 20, 23, 24, and 30th. (Times posted on the Huron Heat website)

Each year there is a lot of work to organize the tryout process. It is important to have accurate numbers for this process to work efficiently. For this reason if you are choosing to have your child attend tryouts to be evaluated you need to check the box on the registration form.

When you have accepted a spot on a Huron Heat team a deposit of \$150 is required secure your spot. This deposit is non-refundable. You will have the opportunity to pay this fee at registration or after the evaluation skates. The remaining payments are to be submitted at the AGM. The date for the AGM will be in June. The \$150 deposit will be subtracted from the outstanding balance.

NOTES:

Only players that have registered/signed a tryout form and paid the tryout are permitted on the ice for tryouts.

Players that skated for any team other than the BCH Ice Stars, Blyth/Brussels Crusaders or West Huron Wave during the 2015/16 season will also be required to provide a permission to skate form.

Players that do not participate in the evaluation process will be placed on available teams at the discretion of the executive.

All players are encouraged to attend the evaluations.
