

Huron Heat Female Hockey Association Player Movement Policy

Commencing April 19th, 2026, a player that requests and is granted a release from the Huron Heat Female Hockey Association with respect to a particular season cannot rejoin the organization on a competitive team* until after the expiry of the season immediately following the particular season.

The player cannot rejoin a competitive Huron Heat Female Hockey Association team for the duration of the season to which the release relates PLUS the entire immediately following season.

The foregoing shall not apply to players that

- (i) leave the Huron Heat Female Hockey Association to play with a different organization at a level that is not offered by the Huron Heat Female Hockey Association;
- (ii) leave the Huron Heat Female Hockey Association after being released from the lowest competitive team offered that year in that player's age category; or
- (iii) obtain the consent of the Board of Directors to return to the Huron Heat Females Hockey Association if the Board, in its absolute discretion, determines that such consent is warranted in the circumstances.

**A competitive team is defined as a team C or higher*
